

DESIGNQ

As part of the new home building process, Sterling Homes offers every home buyer a three-hour personal consultation with a Certified Interior Decorator in the 4,000 square foot design centre, designQ. Our Consultants assist purchasers in choosing interior and exterior selections for their new home.

STERLING HOMES

Sterling Homes has been building award winning homes for Winnipeg families since 1951. As an upscale home builder, we offer many exclusive plans in the Sterling portfolio, providing a wide selection of designs to meet the needs of today's families. Our Sterling bungalows start at approximately 1,550 square feet with two-storey plans up to 2,700 square feet, offering a wide range of choice and flexibility. Modern interior and exterior features and enhancements truly showcase the attention to detail and high level of design that is provided on every home plan.

Sterling Homes is proud of not only the design and features in our homes, but by the quality and customer service provided. High standards in our choice of materials and workmanship ensure all of our homes are built to last providing a steadfast place for families to enjoy and grow for many years to come.
